MANDOX LLC presents our 10,000 NFT Drop, "Discover the Madox." Discover the Madox will take you on a journey where you will encounter ten different tribes; each through a separate NFT drop.

MANDOX LLC will bridge the gap between the world of cryptocurrency and the new up and coming wave of NFTs. With each purchase of the NFT collection, you will be making an investment into the company with at least 50% of profits going straight back into \$MANDOX to help fund marketing, buybacks, etc.

By Buying these NFTs you are directly investing in the company. The NFTs are an asset, and as we grow, the NFTs will grow along with us and so will the value.
